33. Teaching methods adopted to improve student learning.

Ans.: The faculty use various methods in the teaching learning process. Problem based method, case study, interactive method and use of ICT are generally used effectively.

34. Participation in Institutional Social Responsibility (ISR) and Extension activities.

Ans.: The college also discharges its social responsibility by organizing various activities under NSS in the interest of society. Along with these activities, street

plays are conducted to create socio-legal awareness among people. Free legal consultation is provided to the needy people at college and in villages.

35. SWOC analysis of the department and Future plans

Strengths

- Adequate infrastructure for conducting teaching activities
- There is a sufficient provision of E-learning resources
- Strong amalgamation of urban and rural students
- Use of ICT in teaching learning
- Education is available at affordable fees

Opportunities

- The institute has a lot scope to increase the research activities
- To enter into more collaborative activities with government and nongovernment agencies
- More students need to be promoted to participate in competitions
- To enhance the quality of activities and educational environment to match the international standards of higher education

Weaknesses

- There is inadequate teaching staff
- The research output is lower
- Library space is not enough
- Lower participation of students in outside competitions
- There are no collaborative programmes with institutes of national eminence

Challenges

- The institute faces difficulties in filling the posts of teaching
- To reduce the dropout rate of students is also challenging for the college
- It is difficult to prepare the curriculum in sync with the global standards as the institute has no discretion in framing it
- The institute also faces the challenge of financial self-sufficiency

The future plans of the college Department: The College is planning to construct a separate building for its library.
