## Syllabus Committee

English serves a crucial role in imparting legal knowledge. Yet, in a class full of diverse students bridging the linguistic gap is vital in making the teaching-learning process efficient. Having this as the main agenda, the 'Spoken English Course' is run in the institution. It also aims to attain following goals-

1. Giving practical exposure to students to enhance their communication skills.
2. Bridge the linguistic gaps to enhance all round understanding of the students
3. Enhancing soft skills of students.
4. Boosting confidence in students to critically engage in their other respective classes.

By setting these goals, the course has been redesigned designed for I BA LLB and I LLB students. The following member of the faculty has been appointed to redesign the syllabus for this course.
