**MOOT COURT PROBLEM**

Mahakaala Butchers' Association, a Registered Society and Others ..... Petitioner

v.

State of Mahaakala and Others ..... Respondent

The Republic of Hindikaala is located in the South Asian Region of Asia. It is one of the ancient nations in the world. Till 1947, Republic of Hindikaala was a British colony for about 150 years. It achieved independence in 1947. Now the Republic of Hindikaala is a democratic country with a written Constitution which came into force in 1950. It has 29 States and 7 Union Territories. The Constitution has adopted Parliamentary system wherein President is the executive head of the government. The majority of the population of the country belongs to Hindu religion. Buddhism, Christianity, Islam, Jainism and Sikhism are the other major religions followed by the people of Republic of Hindikaala. The Republic of Hindikaala is characterized by a diversity of religious beliefs and practices, dressing, cultural outlook, food-habits etc. Some religion like Jainism strictly follow the principle of non-violence and therefore stressed upon vegetarian food habit. This is not so in case of other religions. Under Hindu religion some are vegetarians and some are non-vegetarians. Throughout the Republic of Hindikaala's history, religion has been an important part of the country's culture. The history of Republic of Hindikaala has witnessed some prominent instances of religious disharmony amongst various religious groups.

The Constitution of Republic of Hindikaala declares various rights as fundamental rights. Some of the fundamental rights are the right to freedom of religion, freedom to carry on any trade, profession and business, right to life and personal liberty etc. The fundamental rights are mostly enforceable against the 'State'. The concept of 'State' is defined by the Constitution of Republic of Hindikaala. The Constitution also incorporates some features of secularism. The Supreme Court of Republic of Hindikaala, in its few landmark judgments has expanded the

2. It sought to prohibit the transport (from the State of Mahakaala to another state), the export, as well as purchase, sale and disposal of cows, bulls and bullocks for the purpose of slaughter.
3. It sought to prohibit the possession of the flesh of the cow, bull or bullock slaughtered in contravention of the provisions of the Act.
4. It also criminalizes the possession of beef *per se*, whether or not this was obtained through lawful slaughter from another state.
5. The amendment sought to put the burden on the accused that he/she was not in contravention of provisions of the Act.
6. The amendment also stipulated punishment for the contravention of the Act.

The Amendment Act, 1995 received the assent of the President in 2015 and came into force immediately. Meanwhile there was a political turmoil throughout the Republic of Hindikaala. Various religious organizations started large scale mobilization against slaughter of cows. Few individuals were attacked on the accusation that they stored cow-flesh in their home. It created the tension between those who were beef-eater and those who were not. More particularly, a minority community 'X' was affected drastically as beef eating was their common food habit. Moreover, beef was less costly as compared to other non-vegetarian food. As the degree of poverty is higher in community 'X', beef eating was an easy source of protein for them. But with the new amended law by the state of Mahakaala, they were deprived of this source.

In this background, writ petitions were filled by various associations and individuals before the Hon'ble High Court of State of Mahaakala challenging the constitutional validity of the Amendment Act of 1995. Mahakaala Butchers' Association, a Registered Society is one of the petitioners working for the protection of the interest of minority community 'X'.

This petition is posted for final arguments and for disposal on 20<sup>th</sup> January, 2018.

**Note:** 1. The participants to the competition have to frame the issues and make submissions by presuming that the Constitution of India and all other laws applicable in India are applicable in Republic of Hidikaala.

2. With reference to the Act of 1978 and amendment of 1995, the participants shall refer to the Maharashtra Animal Preservation Act, 1978 along with the amendments made to it from time to time.
3. Socio-economic conditions of people of Hindikala are same as that of Union of India.
4. Mention of any religious text is strictly prohibited.

## MOOT COURT PROBLEM

Indoi, is one of the oldest civilizations in the world. Since its independence from the British ruling it has achieved an all-round socio-economic progress. It is a democratic Union of States having a written Constitution guaranteeing various fundamental rights. The freedom of speech and expression is one of the fundamental rights incorporated under the Constitution of Indoi.

In the last number of years, various instances have taken place wherein the citizens of Indoi have been charged with 'sedition', an offence under its criminal law. Sedition, a cognizable offence is considered as a high-value crime against the sovereignty of the Indoi. The country's official record of crimes, *Crime in Indoi* by National Crime Records Bureau reported 165 arrests on the charge of sedition in the last three years across the country.

The provision has been the issue of intense debate. Various arrests have increased the discontent against the offence of 'sedition' causing the harassment of individuals and contending the violation of freedom of speech and expression and other fundamental human rights.

1. Mr. Karmik, a cartoonist took part in a public rally against corruption and in the course of it he raised banners of his cartoons criticizing and mocking the Constitution of Indoi and also the Government of Indoi. He was charged with the offence of sedition.
2. Ms. Andhodhati, a noted writer and political activist while speaking from public forum, criticized the policies of the Government of Indoi and made certain "anti-Indoi" remarks in her speech for which she has been charged with sedition.
3. Organization named 'Human Rights Defender' conducted one seminar discussing the violation of various human rights by government agencies and alleging violations by them. In one session, the organizers also arranged for discussion with the families alleged to be the victim of violation of human rights by the government agencies. During this discussion certain remarks were made against the Government of Indoi.

Citizens' Commission on Civil Rights, a Civil Rights Organization challenged the blatant use of section and charge of the offence of sedition amounting to the violation of the various fundamental rights. The petitioner contests the constitutional validity of the offence of sedition.

This petition is posted for final arguments and disposal dated 02/02/2019.

**Note:**

\* The participants to the competition have to frame the issues and make submissions by presuming that the Constitution of India and all other laws applicable in India are applicable in Union of Indoi.

*Union of Chalukya*

The Union of Chalukya is located in the Southern region of Asia. It is one of the ancient nations in the world. It is a democratic country with a written Constitution and having 28 states and 9 Union Territories. The history and legal system of Union of Chalukya is same as history and legal system of India.

In Union of Chalukya, as like other democratic countries of the world, has overburdened judiciary with a flood of pending cases in its Courts. Therefore, by an amendment in the Constitution of Chalukya, a system of quasi-judicial machinery in the form of tribunals was introduced to resolve administrative and other disputes. In the light of this Constitutional amendment, various tribunals were established under various legislations. These tribunals run in parallel to the courts and generally are less formal, less expensive and less time consuming.

The Chalukya Finance Bill, 2017 was introduced in the Lower House of Parliament of Chalukya as a Money Bill. This move was vehemently opposed by the opposition parties. The Chalukya Finance Act, 2017 came into effect on March 31, 2017 after it received Presidential assent. Under the Chalukya Finance Act, 2017 certain amendments were carried out to merge together the provisions regarding the structure and organization, as well as the conditions of service of tribunals.

The Chalukya Finance Act, 2017 also authorised the Government of Chalukya to notify rules regarding persons appointed to tribunals on the matters relating to terms of office and conditions of service. The Government of Chalukya notified the Chalukya Appellate Tribunal and Other Authorities (Qualifications, Experience and Other Conditions of Service of Members) Rules 2017, a delegated legislation, in furtherance of the said authority.

JANHEET, A Registered NGO is working for the maintenance of Rule of Law and good governance in the Union of Chalukya. The NGO approached the Supreme Court to challenge the passage of the Chalukya Finance Act, 2017 as a Money Bill and challenging its constitutional validity on the ground that it violates the basic features of the Constitution of Chalukya.

**Note:** The participants to the competition have to frame the issues and make submissions by presuming that the Constitution of India and all other laws applicable in India are applicable in the Union of Chalukya.

**Moot Court Problem:**

The Union of Chalukya is located in the South Asian Region of Asia. It is one of the ancient nations in the world. It is a democratic country with a written Constitution and having 28 States and 8 Union Territories.

The Industrial Revolution had a great impact on human society. The mode of production was deeply affected by the Industrial Revolution. In factories, the production of goods in large quantities began to happen more efficiently. There was a huge increase in wealth. International trade also increased. As a result of industrial revolution, the new economy created a new society. Which logically resulted in changes in the fields of political, ideological, educational, cultural, literary etc.

Labour policy in Union of Chalukya has been evolving in response to specific needs of the situation to suit requirements of planned economic development and social justice and has two-fold objectives, namely maintaining industrial peace and promoting the welfare of labour. The prevailing social and economic conditions have been largely influential in shaping the Chalukya labour legislation, which regulate various aspects of work such as the number of hours of work, wages, social security and facilities provided.

The corona virus disease (COVID-19) pandemic, which originated in the city of Wuhan, China, has quickly spread to various countries, with many cases having been reported worldwide. Since then, there has been a significant rise in the number of COVID-19 patients in Union of Chalukya's various states. Considering the seriousness of the disease, nationwide lockdown (10 January 2020 to 05 February 2020) was announced by the prime minister of Union of Chalukya to control the transmission of COVID-19 and due to which many industries, academic institutes, markets, as well as public gatherings were shut down. After the first lockdown, there have been three more lockdown phases in succession,

COVID-19 put an immediate halt to many business activities across the globe, as several countries had shut down their ports, airports and domestic transportation while imposing nationwide lockdowns, leading to a disturbance in business and civil life. The lockdown in Union of Chalukya impacted manufacturing activities across the globe. The Union of Chalukya took special measures to control the spread by imposing one of the longest lockdowns in the world, to cushion the scarce availability of healthcare resources. The enormity of the lockdown affected manufacturing activities and supply chains alike, disrupting the overall economy.

The State of Kalki of Union of Chalukya invoked its powers under Section 5 of the Factories Act, 1948, and issued a notification exempting all factories registered under the Act from obligations mandated under Sections 51, 54, 55, 56 and 66 of the Act from 18th March till 12th October, 2020.

#### **Notification of State of Kalki:**

A nationwide lockdown was declared by the Central Government from 10<sup>th</sup> January 2020 to prevent the spread of the COVID-19 pandemic. Economic activity came to a grinding halt. The lockdown was extended on several occasions, among them for the second time on 12<sup>th</sup> March 2020. On 16<sup>th</sup> March 2020, the Labour and Employment Department of the State of Kalki issued a notification under Section 5 of the Factories Act to exempt all factories registered under the Act "from various provisions relating to weekly hours, daily hours, intervals for rest etc. for adult workers" under Sections 51, 54, 55, 56 & 66. The stated aim of the notification was to provide "certain relaxations for industrial and commercial activities" from 18<sup>th</sup> March 2020 till 12<sup>th</sup> May 2020. The notification in its relevant part is extracted below:

"...NOW, THEREFORE, in exercise of the powers conferred by Section 5 of the Factories Act, 1948 (LXIII of 1948), the Government of Kalki hereby directs that all the factories registered under the Factories Act, 1948 shall be exempted from various provisions relating to safety of worker, weekly hours, daily hours, intervals for rest etc. of adult workers under section 51, section 54, section 55, section 56 and section 66 with the following conditions from 18<sup>th</sup> March till 12<sup>th</sup> May 2020, -

(1) No adult worker shall be allowed or required to work in a factory for more than twelve hours in any day and Seventy-Two hours in any week.

(2) The Periods of work of adult workers in a factory each day shall be so fixed that no period shall exceed six hours and that no worker shall work for more than six hours before he has had an interval of rest at least half an hour.

(3) Wages shall be in a proportion of the existing wages (e.g. If wages for eight hours are 80 Rupees, then proportionate wages for twelve hours will be 120 Rupees)."

(4) The employer shall ensure safety, adequate safeguards in the factory in terms of occupational safety and health, equal opportunities for women workers working in late-night shifts and adequate protection of their dignity, honour, and transportation from exploitation.

On its lapse by the efflux of time, the State government issued another notification on 13<sup>th</sup> May 2020. Similar in content, the new notification extended the exemption granted to factories from 18<sup>th</sup> March 2020 till 12<sup>th</sup> May 2020.

The government justifies the action on the ground that industrial employers are faced with financial stringency in the economic downturn resulting from the outbreak of COVID -19. A trade union 'Haq' filed the writ petition in the Supreme Court under Article 32 of the Constitution to challenge the validity of the state's notifications dated 16<sup>th</sup> March 2020 and 13<sup>th</sup> May 2020.

\*The legal system of Union Chalukya is similar to India and the mooters have to frame the issues and make submissions by presuming that the Constitution of India and all other laws applicable in India are applicable to Union of Chalukya.
