Annual Gender Sensitization Action Plan - 2017-18

The need to create a safe haven, where there is no space for gender disparity is the need of hour. In the academic year of 2017-18 the ICC of Y.C Law College aims to plan activities that will create a safe and healthy atmosphere on the campus. The Vishakha guidelines and Sexual Harassment at Workplace Act 2013 anchor a context for Higher Educational Institutes and make it imperative to combat sexual harassment as an alternative civic redressal system. As part of this, it plans to have a series of talks on gender related issues, workplace behavior and use of social media for students and staff members. As a part of this college aims to organize Guest Lectures/Workshops/ Seminars on Gender related issues. Creating gender awareness and inculcating safe spaces for interaction the ICC will continue with gender sensitization sessions for new incoming students especially the first year degree students.

Considering the student's indulgence in social media and challenges they face, the ICC plans to organize a seminar to create awareness about dangers associated with use of social media and awareness about cyber-crime.

The mandate issued by SAKSHAM, Measures for Ensuring the Safety of Women and Programmes for Gender Sensitization on Campus, and UGC, the constitution of ICC at Y. C. Law College has undergone a change. The recommendation to have a safe campus, gender-neutral atmosphere, increased women's participation and acknowledging their capacity resonates with the idea of the mandate. As it motivates women's participation, it also ensures to create a platform to represent any kind of harassment/violence against women.

The ICC is formed at the beginning of academic year consisting with Principal, Secretary, Senior Female Faculty Member, Male Faculty Member, Female Advocate Social Worker, Office Superintendent and Representative of Girl. The appointment of new members is as per the mandate and equal representation from different sections of college. All the new members were given a brief introduction about the rules and regulation of ICC in the first term meeting. ICC meets twice in every academic year first time to plan the activities of the current academic year and to review activities conducted in the last academic year. The ICC is constituted for three consecutive academic years.

In this academic year ICC (Women's Cell) plans to conduct following programs

- 1) Create awareness about: 'Gender Sensitization' in Campus.
- 2) To organize workshop on 'Gender Sensitization' under Students Welfare Office.

Workshop on Gender Awareness

विद्यार्थी व्यक्तिमत्व विकास योजना

Personality development program for students

2017-18

The college had organized a one day workshop on the subject namely "Gender Awareness "under the scheme "विद्यार्थी व्यक्तिमत्व विकास योजना" (Personality development program for Lady students) in collaboration with Women Studies Center, SPPU, Pune on 22/01/2018 at 10.00 a.m.

The said program was conducted by Ms. Sneha Gole and Ms. Deepa Tak (both Asst. Prof. Women studies center SPPU, Pune) along with Prof. Shirlekar M.S.

Ms. Gole has stated that the real crux of the problem is child sex ratio in 0-6 year's age group. Study of this ratio helps us to understand whether

there is human interference or not in the process. If we compare the statistical data (Census) of 2001 with data of 2011, then the picture is more darker i.e. there is more decline in the Child sex ratio, more particularly in Maharashtra, Punjab, Haryana and Rajasthan.

She also asserted that we cannot separate issue of sex

determination from technological development in medical field which makes Human interference very easy.

Ms. Deepa Tak stated that there is difference between sex determination and abortion. The concentration of the government policies, NGO and media is on the abortion and not on sex determination which lies in patriarchal nature of Indian Society.

Prof. Madhuri Shirlekar narrated the legal provisions relating to women. She further explained the necessity of strengthening the provisions of the existing law to make it more potent and effective.

The programme consisted of lectures, film show and open discussion on the issue which is related to the gender deficit in India. At the end feedback was taken. Study material and refreshments were given to the lady students. Total 73 students participated in the said workshop. (41 Gents and 32 lady students)

The workshop was attended by students, faculty and Principal. The open discussion helped the students to receive due sensitization. The programme was coordinated by Prof. Wakade

Annual Gender Sensitization Action Plan 2020-21

Universities are not merely 'workplaces' where faculty and nonteaching staff are employed but are spaces where students come to learn and be trained for their professional careers, and to realise their full potential as individuals. The need to create a safe atmosphere free from gender inequality, where there is no space for gender disparity is the need of hour. In the academic year of 2020-21, the ICC aims to plan activities that will create a safe and healthy atmosphere on the campus.

The Vishakha guidelines and Sexual Harassment at Workplace Act 2013 anchor a context for Higher Educational Institutes and make it imperative to combat sexual harassment as an alternative civic redressal system. As part of this, it plans to have a series of talks on gender related issues, workplace behaviour and use of social media for students and staff members.

In its pursuit to train new members of the ICC to deal with complaints of sexual harassment, To encourage staff and students participation in various activities are organized in our college in collaboration with Lokayat- A self-funded NGO. Creating gender awareness and inculcating safe spaces for interaction the ICC continues with gender sensitization Programs for students of all the courses.

ICC has been formed as per the mandate of the **Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013**. The boards indicating the constitution of ICC are displayed in front of the ladies common room.

Upcoming Activities:- Due to the pandemic of Covid-19

- 1) To conduct online Essay competition on account of International Day.
- 2) To organize online Guest lecture.

Annual Gender Sensitization Action Plan 2021-22

The changing demographics of Higher Educational Institutes in India reflect a diverse population on the campus. With the ideals of equality enshrined in our Constitution College has set up Equal Opportunity Center for creating space for equality and ruling out discrimination against caste, religion, sect and sex. To create safe working space free from gender bias for students, staff and other stakeholders on the campus is one of the significant aspects of any Higher Education.

Focusing on the primary aim to ensure a safe space and promote healthy environment the ICC has come up with the action plan in the academic year 2021-22

One of the important ways to achieve gender equality is to have a safe space that will not represent injustice and violence against women. Deliberating on this fact, Internal Complaint committee plans to conduct a **Certificate course of Gender Equity - Law and Literacy**

This program will include students, staff members, administrative staff and all the people involved on the campus. The series of awareness programs will largely aim towards first year undergraduate students followed by other staff members on campus.

- 1) The ICC plans to strengthen its redressal mechanism by taking any sort of complaint/grievance seriously.
- 2) To conduct workshop on Gender Sensatisation.
- 3) To involve NGO representatives for their guidance and support.
